CATHOLIC HERALD

**Private's plea**

**21**

The U.S. bishops have urged President Bush not to allow federal funding of stem-cell research that would destroy human embryos.

**Seeking peace**

**23**

At a vacation Bible school in Milwaukee's central city, students find respite from daily violence.

**Churchyard state**

**24**

Statistics show that almost one-half of Catholic children in the archdiocese who are baptized do not go on to be confirmed.

**Next week**

There will be no Catholic Herald July 26. The new Catholic Herald summer schedule means the next editions will be Aug. 2, 16 and 30.
